# Announcement

On account of health and inability to get good hired help we are dispersing our herd of Shorthorn cattle. This herd is in good breeding condition.

## Terms and Conditions

The herd has been Federal Accredited for a number of years and all animals are sold subject to a 60-day re-test when kept segregated in any but an accredited herd.

All bulls guaranteed breeders. Cows with calves at foot or well advanced at time of sale are considered proven breeders. All other females over sixteen months of age at time of sale, are guaranteed breeders.

Bulls are not to be used under fourteen months of age, nor allowed to run with the herd before two years of age. Heifers are not to be bred to too old or heavy bulls.

In case of failure to meet breeding guarantee within four months, the animal may be returned, if in good condition, at purchaser's expense, and purchase price will be refunded in case of failure to breed after further reasonable trial.

Animals at owner's risk when sold. All stock will be loaded on cars free of charge.

Certificates of registry and transfer will be furnished for all animals sold as separate lots and application forms for all calves with dams, and for all calves to be dropped later from service previous to sale.

Sale starts promptly at one o'clock.

Terms:—Cash.

## Comments by Fieldmen

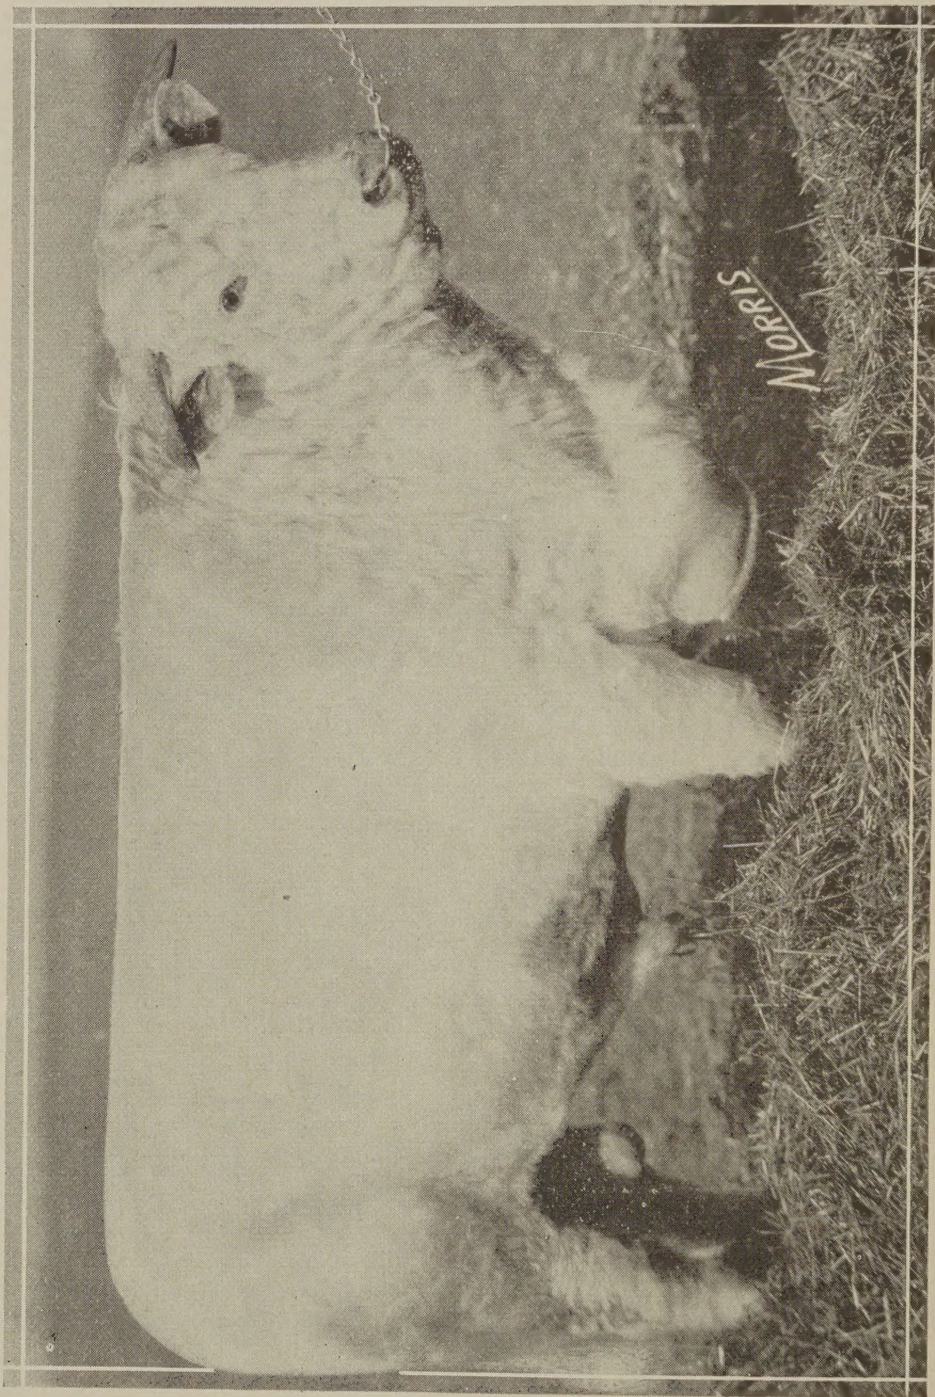

Gallmeyer Bros. are selling Shorthorns in this auction that are removed from the ordinary kind, in individuality, in pedigree, and in those useful qualities for which the true Shorthorn is famous. Gallmeyer Bros. have climbed the ladder of success in the production of meritorious Shorthorns. I doubt if there are many breeders throughout the country that have done as much in constructive work in Shorthorn breeding for the length of time engaged in the business, as Gallmeyer Bros. At the Iowa State Fair and at the International show in Chicago, Gallmeyer entries have stood out as conspicuous examples of the finished product of the breeders' art. Gallmeyer Shorthorns therefore, are at the head of the procession and have long been recognized as the best of their kind. This auction contains the best cattle that Gallmeyer Bros. have yet produced.

The blood of Village Knight is the dominating characteristic for it was the blood of that bull that started Gallmeyer productions on the road to a victorious career. Today his son, Village Augustus has done and is doing similar work in the herd. No catalog contains a richer assemblage of pedigrees. This catalog contains the pedigrees of a class of Shorthorns that will appeal because the blood in the topmost crosses is the blood that is known to all. If you want breeding cattle you can find them here. If you want show cattle, they are here too, in those that have won this year and that can win next year. The selling of his splendid collection of Shorthorns cannot fail to enlist the attention of all prospective buyers.

Francis T. Martin,  
Of Register Farm Service.
